The Port of Toledo announces its intent to award the contract for Port of Toledo's Shipyard Building Foundation Piling to Billeter Marine.

This notice of intent to Award is subject to execution of a written contract and, as a result, this Notice does NOT constitute the formation of a contract between the Port of Toledo and the apparent successful vendor. The vendor shall not acquire any legal or equitable rights relative to the contract services until a contract containing terms and conditions acceptable to the Port of Toledo is executed. If the apparent successful vendor fails to negotiate and execute a contract with the Port of Toledo, the Port of Toledo may revoke the award and award the contract to the next highest ranked vendor or withdraw the procurement. The Port of Toledo further reserves the right to cancel this Notice of Intent to Award at any time prior to the execution of a written contract.

As provided in the Invitation to Bid and the Port of Toledo's contracting rules, a proposer may protest this Notice of Intent to Award by submitting a written protest to the Port Manager within seven calendar days after the date of this notice.

Thank you for participating in the competitive selection process. For information about this notice please contact the undersigned.
