

**The Port of Toledo would like to invite all interested parties to participate in our Annual Cardboard Boat Contest during this year's Wooden Boat Show**

**August 19<sup>th</sup>**

Each participant will receive a containerboard boat starter kit. The kit comes with 2- 7.5'X10' sheets of Georgia Pacific containerboard, 1- 13.75' sticks of paper roll stock, registration and waiver sheet and a complete set of rules and regulations. For those that do not have the ability to come collect the Boat Starter Kits, we will make arrangements to deliver, or you can supply your own cardboard.

**Your Mission:** Use your imagination and creativity (following the rules of course) to build a seaworthy boat. This boat is not simply for looks. We will have a full-scale regatta style race. Each boat will travel approximately 100 yards to a buoy, make a turn around the buoy and race for the finish line.

**We would like to see 3 boat classifications:**

<b>Class 1- Youth Boat</b>	This is for groups age 12 to 17. Can be a family group, school group, youth group, individuals etc.
<b>Class 2 - Small Boat</b>	This is a class of boat that holds no more than 2 people
<b>Class 3 - Large Boat /Family Boat</b>	This is a class of boat that holds more than 2 people and are intended for family fun.

**Groups are welcome to make and race as many boats as they would like. The more boats the better the race. If not enough boats in any class, we will combine classes.**
